FINE CANTALOUPE

Our old friend R. M. Nall of Rose Hill Farm put us under further obligations to him today by bringing us a whole big bunch of the finest cantaloupes we ever saw. They were the genuine Rockfords, and would grace even a king's table. Mr. Nall is a true disciple of diversification, and makes it pay. He says he planted a quarter acre to cantaloupes and has already sold \$12.50 worth and cannot miss them. This is really practicing the doctrine the Eagle has long preached, "making every edge cut."

TOURISTS TURN OVER

Mr. and Mrs. S. H. Savage of Houston passed through the city yesterday afternoon in a brand new Hupmobile bound for Chicago. About five miles north of Bryan, on the Benchley road, Mr. Savage turned a sharp corner, and not seeing a bridge just as he turned he missed same and his car was turned over on its side. White and Webb were immediately called, and after the car was pulled back into the road it was found there was not even a scratch on it. Aside from tearing the sleeve on Mrs. Savage's left arm there was no damage. They proceeded north in a very short time as though nothing had happened.
